

Privacy Policy

The RIAT application has been developed by INESC TEC as part of the SoTecIn Factory project.

The SoTecIn Factory is a scientific research project publicly funded under the Horizon Europe programme and coordinated by the INESC TEC with the objective of provide a full acceleration program to selected tech-inoovators from Textiles, Food, Water & Nutrients and Plastics & Packaging value chains, providing a self-assessment on Responsible Innovation behaviours within an innovation project to develop a pre-market demonstrator.

For more information about the SoTecIn Factory project, please visit <https://sotecinfactory.eu/>

1. Purpose of processing

The purpose of the RIAT application is to provide a set of self-assessment dimensions and final recommendations on Responsible Innovation behaviour.

Personal data will be processed in accordance with applicable national and EU legislation and will only be used by researchers for the purposes of scientific research within the scope of the SoTecIn Factory project.

2. Personal data

The personal data collected by the application is necessary for identify, interact and profile participants, namely the email used to log in, as to identify the user and contact him/her concerning management of data and the innovation project they are developing

3. Responsible for the processing

INESC TEC – Instituto de Engenharia de Sistemas e Computadores, Tecnologia e Ciência, Campus da FEUP, Rua Dr. Roberto Frias, 4200 - 465 Porto.

4. Personal data retention period

Personal data will be irretrievably deleted from our systems, or anonymised, when it is no longer needed for the purposes of the project and at the latest when it is concluded.

5. Personal data sharing

Personal data will not be shared with other entities.

The processing of personal data carried out does not involve the transfer of personal data to third parties located outside the European Economic Area (EEA).

6. Security measures

The RIAT application has been developed in accordance with high security standards. To ensure the security of the personal data processed by the application, the following technical and organisational measures have been adopted: encrypted data transmission, encrypted database at rest and obfuscation of user password.

7. Rights of the data subject

You can freely withdraw your consent at any time and without having to provide any reasons for doing so; in this case, your personal data will be deleted.

As the subject of the data, the law grants you the following rights: Information, Access, Rectification, Portability, Erasure, and Restriction of processing. To exercise any of your rights please use the following email address: cristina.m.guimaraes@inesctec.pt

Under the terms of the Article 77 of the GDPR, the data subject has the right to lodge a complaint with a supervisory authority in the European Union. In Portugal, the supervisory authority is the CNPD (www.cnpd.pt).

8. Data Protection Officer

For any questions regarding the processing of your personal data, please contact our Data Protection Officer at: dpo@inesctec.pt.
